

# Class 1 - Spring Term

## Angel Express

On the 11<sup>th</sup> January we finally got to perform our Nativity 'Angel Express' for our families!

## Hand Washing

We had a visit from the School Nurse on the 16<sup>th</sup> January who talked to us about how to wash our hands correctly. We had to put a special gel on our hands then wash them. When we thought they were clean, we put them into a machine with a special light inside which showed us if we'd missed any gel. We all passed the hand washing test with flying colours!

## Diamond and Ruby Power

We had a visit from Doctor Tom Robson and his dog on the 23<sup>rd</sup> January who talked to us about Diamond and Ruby Power. Diamond Power helps us to solve problems while Ruby Power helps us to be kind. We have been working hard in class to win lots of diamonds and rubies!

### RUBY POWER – SUPPORTING OTHERS

You give support to others by listening to them and smiling at them

You praise others when they do well

You help others when they have a problem

You develop trust in teams and it gives you the ability to take risks in your learning

### DIAMOND POWER – BEING RESPONSIBLE AND ABLE TO IDENTIFY PROBLEMS

You try to solve problems yourself rather than relying on an adult

You use different strategies to identify what you need to do when you are stuck you don't always just go straight to your teacher.

## Chinese New Year

We had a celebration day for Chinese New Year on the 4<sup>th</sup> February. We got to do lots of 'Year of the Pig' themed crafts and even got to try some Chinese food!

## E-Safety Day

The 5<sup>th</sup> February was E-safety day. We learnt a lot about how to stay safe online.

## Dinosaurs

We couldn't believe our eyes when we spotted some giant muddy footprints in our outdoor area!

We were even more shocked when, after some investigating, we discovered that Mrs Fox's cameras had picked up some dinosaurs playing in our yard!

## Snow

On the 1<sup>st</sup> February we had lots of fun in the snow!

## Shrove Tuesday

On Shrove Tuesday we read 'Mr Wolf's Pancakes' and then we got to make and eat our own!

## Supertato

We have been reading Supertato! We made our own Supertato characters and created a vegetable villain to help us write our own Supertato story. Watch out for those villainous vegetables....!

## Ash Wednesday

We went to church for a special mass on Ash Wednesday and we got the sign of the cross made in ashes on our heads by Father Hastie.

## World Book Day

We celebrated World Book Day on the 7<sup>th</sup> March. We all dressed up as our favourite characters. We made a wooden spoon book character and at the end of the day we met with some of the other classes to 'Share a Story'. Some of us joined in with a Book Swap where we got to exchange a book we had read for a book that was new to us.

## Building Work

We have really enjoyed watching the building work progress from our classroom! We have a great view and have been keeping a diary. We can't wait to see the new classrooms!

## Day for Easter

We ended our busy term with a Day for Easter. We had an Easter bonnet competition, egg decorating competition and a special shared meal at the end of the day.
