

Autumn in class

2

In autumn our topics have been animals and fairy tales. We have had so much fun playing in our vets role play, learning about nocturnal animals and creating wanted posters for The Big Bad Wolf!

In **numeracy** we have learnt how to tell the time. We are really good at showing 0'clock and half past on the clocks.

In **literacy** we read the story of The Ginger Bread Man. We then wrote our own Ginger Bread Man recipe to make our own ginger bread men. They were yummy!

In **art** we decided to go on a leaf hunt. We collected lots of colourful leaves. We then took them into class to sketch the leaves into our art books.

In **literacy** we have read We're Going on a Bear Hunt. We could join in with the predictable phrase from the story. In **PE** we were learning about different movements. We used the different moves we had learnt to show how we would move through the obstacles from the story. Here is our display!

We were so lucky to go to Beamish for Christmas. We got to bake ginger cookies, play old fashioned games, make dolls, ride a train, feed reindeers and most importantly.. we got to meet Santa.
