

Life in class 6 Spring Term

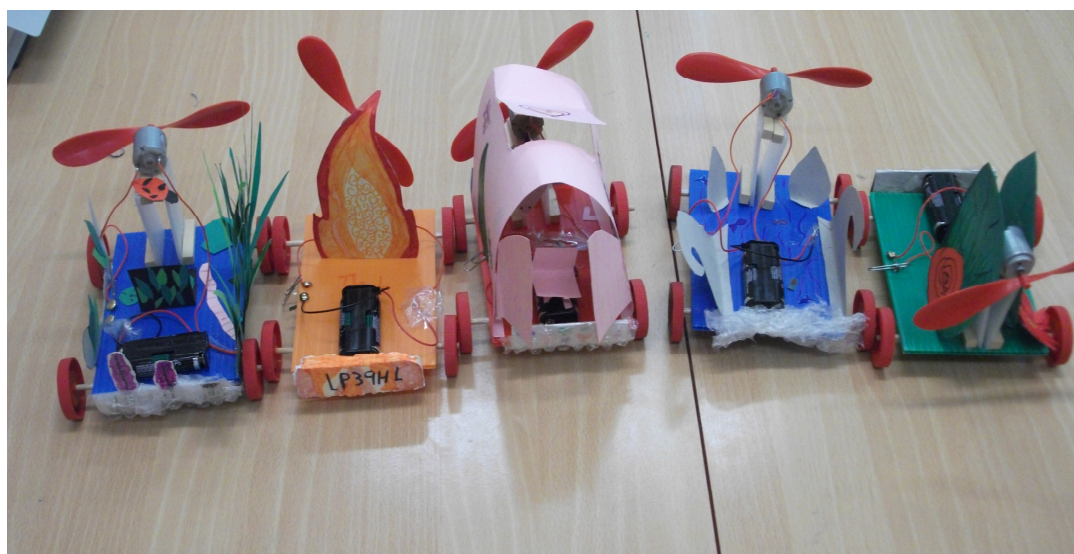

The children produced some fantastic creative writing based on the novel the 'Cirque Du Freak, which they had really enjoyed reading in class.

The children enjoyed learning about El Salvador- focusing on its location, climate and comparing living conditions in El Salvador to the UK. We learnt about how El Salvador is known as the land of volcanoes and earthquakes.

The children had great fun designing and making their own electric fan racers.

We had a very enjoyable Easter. As usual children and parents produced some fantastic creations - eggs and Easter bonnets. I am pleased I didn't have to judge them.

It was really nice to see all the children participating in their shared meal together.

Year 6 Booster started after the half term and the year 6 children are working very hard towards their Sats. We are confident that their hard work will be rewarded with good results.

We hope you have enjoyed reading about just some of the things we did this term.
