

Life in class 6 Summer Term

Summer term is always extremely busy but particularly for children in their final year of school. The children really enjoyed their weekend at Ullswater Outdoor Centre where they participated in a variety of exciting activities: including canoeing, tunneling, raft building, gorge walking and rock climbing.

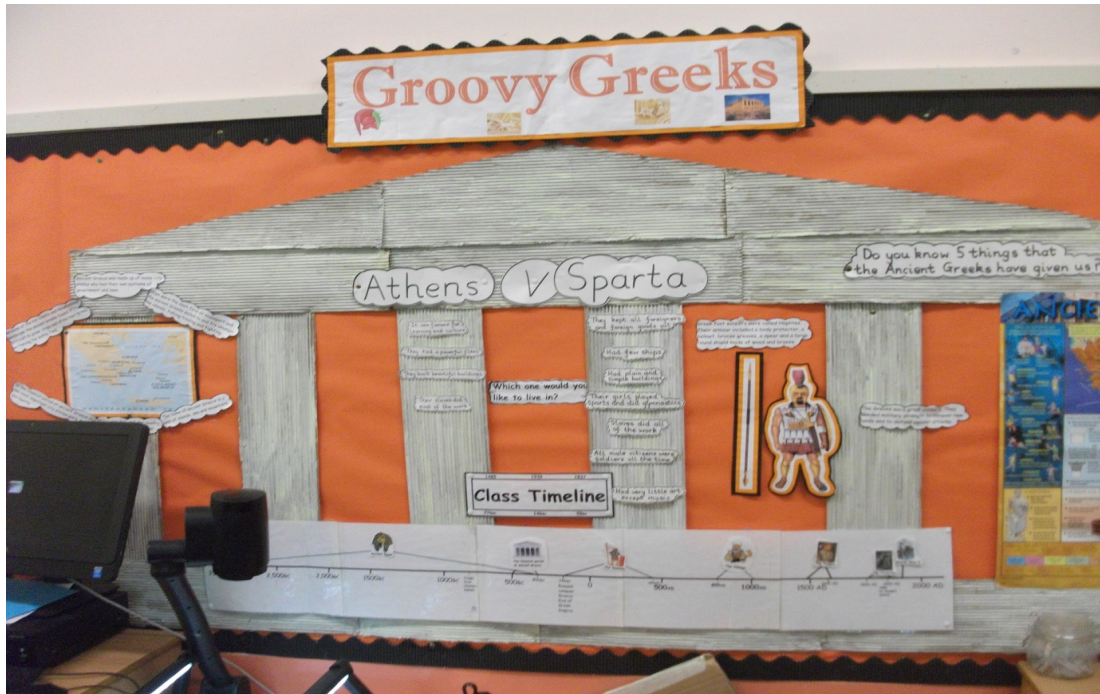

The whole school enjoyed celebrating the Royal Wedding. Children participated in a variety of activities during the day about William and Meghan and the Royal family, culminating in a whole school party in the hall.

The children enjoyed making their own working models of the earth, sun and moon.

This term we have been learning about the Ancient Greeks and how they still influence us today. Many of the children produced some excellent, well researched homework.

In the middle of May we had the dreaded SATs tests for the Year 6's. All of the Year 6 children have worked hard and tried their very best, which is all we can ask of them and we are very pleased with our results which are well above national averages.

Class 6 children relaxing after the SATs tests.

We had our Leavers' Mass a littler earlier than usual this year. The children really enjoyed the Mass and read and sang beautifully. They particularly enjoyed performing the Leavers' songs at the end of Mass, which were clearly appreciated by the congregation.

We would like to wish all of our Year 6's good luck in their new schools and hope they have fond memories of St Joseph's. We would also like to thank parents for all their support.
