

Life in class 6 Autumn Term

It has been a busy but exciting term for class 6. We enjoyed learning about the Battle of Britain and its important role in the history of Britain. We explored the reasons for the Second World War, how children felt when they were evacuated and what it was like during the Blitz. We were very lucky to visit Eden Camp in Yorkshire to learn more about life in the Second World War.

The children produced some excellent writing, enjoyed reading the war time novel *Carrie's War* and learning about the life of Anne Frank.

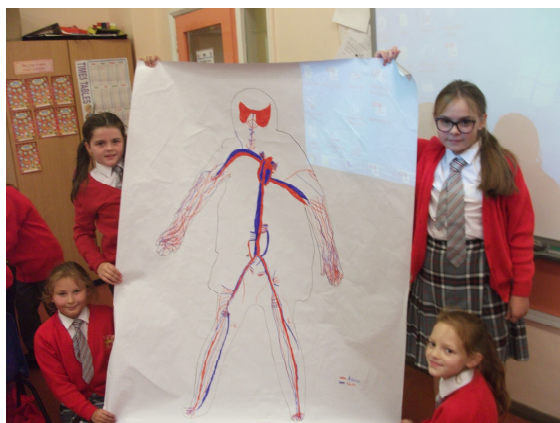

In English we wrote some excellent stories and poetry and with our parent's help we wrote our autobiographies.

In Maths we consolidated our knowledge of number calculations and learned about percentages and fractions.

In Science we learned about the heart and the blood system. We were very lucky to visit St Bede's to watch the dissection of hearts and fish eyes. URGH!

We learned about the function of the heart and its various parts.

As usual Christmas was very enjoyable at St Joseph's. The children performed their own class assembly to an audience of their parents. They worked very hard to learn their lines and the singing, and acting was excellent.

They were also very helpful in manning stalls at our Christmas Fayre, which was again a huge success.

Once their school duties were over the partying could begin and the children really enjoyed the Christmas party and disco.

The children also took advantage of the snowy weather to have fun.

Let's hope that Spring Term will be equally enjoyable. We hope you have enjoyed finding out about just a few of the things we have been doing this Autumn term.
