The school's Pupil Premium Strategy is based on:

- Promoting attendance
- Providing additional support, opportunities and experiences – enrichment opportunities
- Ensuring that the Emotional Well-being of children is high on the school's agenda – pupils feel well cared for, supported and develop resilience

The school spends over its allocated Pupil Premium allocated money to fund a wide range of 'enrichment' opportunities.

In 2017-18 all class trips were funded wholly by the school with the exception of the Year 5/6 residential weekend which was over 50% funded.

The school endeavours to provide all pupils with quality teaching, support and a wide range of experiences to enhance and promote learning
