

Class 1 – Summer Term

Sunflowers

As part of our topic on 'Growth and Change' we planted sunflower seeds. We got to take our plants home to plant into our gardens. We wonder whose will grow the tallest?

Destination Judo

We all got to have a taster session of Judo. We really enjoyed learning some basic skills.

Class 1 – Summer Term

The Cautious Caterpillar

We have been learning about the life cycle of a butterfly. In class we watched the whole life cycle from caterpillar to butterfly and we released the beautiful butterflies into our outdoor area.

Class 1 – Summer Term

Preston Park and Butterfly World

We had a really exciting trip to Preston Park and Butterfly World. We got to see some amazing butterflies that flew right past us! There was one that was even bigger than our heads! We learnt lots of facts and enjoyed seeing some other animals such as meerkats and snakes too. We enjoyed doing a treasure hunt and ended our day by playing on the park and having an ice cream!

Class 1 – Summer Term

Sports Day

We really enjoyed competing in our first Sports Day! We loved taking part in all of the different events such as the sack race and the egg and spoon!

Freida Kahlo

We took advantage of the blossoms as they fell from the tree outside of our classroom to create some self-portraits in the style of Freida Kahlo.

Class 1 – Summer Term

Our School Extension

We have been really lucky in Class 1 as we had a great view of the building work! We loved watching the builders and keeping a diary of the work that took place each week. The workmen were very happy to answer any questions that we had!

Awards Assembly

We enjoyed celebrating the achievements of our friends and peers in our end of year celebration assembly in church.
