

Class 4 Home Learning – w/c 20.4.20

Hello Class 4,

I hope you are all staying safe and are enjoying time with your families. I am missing you all and am very much looking forward to returning to school, but at this moment the safest place for you all to be is at home.

You have already been completing a lot of different projects and tasks and I hope that you are all enjoying doing them and coming up with some creative ideas of how to complete them. I have already seen some fabulous work posted on portfolios on Class Dojo and I encourage you all to post photos of work on there for me to see. When we return to school we can then share the portfolios with the rest of the class which will be lovely. I will be posting tasks on Class Dojo every week so keep an eye out. Please feel free to also post photos of anything else that you have been doing at home on Class Dojo. I am eager to see what you have all been doing to keep busy, whilst also enjoying yourselves at the same time hopefully.

Websites

Here are some helpful websites to use to keep up with your Maths and English skills.

- Oxford owls – free eBooks, videos and games. <https://www.oxfordowl.co.uk>
- Times Table Rock Stars – keep up with your times table practice. I am setting challenges every week and currently there is a boys vs girls battle. Who will win?
- BBC bitesize – daily lessons of each subject are uploaded on here so there is always a new topic to explore. <https://www.bbc.co.uk/bitesize/levels/zbr9wmn>
- Spelling frame – there are lists of year 3 spellings that the children can then practice or create games around. Why not test each other or make a word scramble for an adult to complete? <https://spellingframe.co.uk/>
- NRICH – use this website for ideas on how to be a mathematician and a good problem solver. <https://nrich.maths.org/>
- The Maths Factor – join in with the daily sessions led by Carol Vorderman, track your progress and gain certificates. <https://www.themathsfactor.com/>
- Pobble 365 – a different picture everyday is uploaded and they are great story starters. What is happening in the picture? What could happen next? Who are the people? Remember to practice that lovely handwriting that I know you are all capable of! <https://www.pobble365.com/>
- Lexia Core 5 – everyone was issued with a login and this is a great tool to use to keep up with your reading and comprehension skills. <https://www.lexiacore5.com/>

- Fiction Express – this is a similar concept to Lexia and there are many free eBooks to read and then vote on. <https://en.fictionexpress.com/>

Get creative!

- Why not apply for a Blue Peter badge? You can earn these by writing interesting letters and stories, making a model, drawing a picture or taking a photograph and sending them into Blue Peter. There are a variety of badges that you can earn. Why not have a go? <https://www.bbc.co.uk/cbbc/joinin/about-blue-peter-badges>
- Photograph it! Each week I will announce a new theme of which I would like you to take photos of and post on Class Dojo. This week's theme is 'Families'.
- Have a go in the kitchen! Bake something with an adult or help make a meal.
- Build a den! This can be indoors or outdoors.
- Create a home cinema!
- Can you create your own game and teach your family how to play?

Stay active!

- Join Jose Wicks doing his morning workout at 9am.
- BBC Super Movers – I know you all love this! <https://www.bbc.co.uk/teach/supermovers>
- Play in the garden or an outdoor area at home – fresh air always makes us feel good.

Class Dojo

I have uploaded a Maths booklet for you to work through at your own pace. This includes all of the topics that are taught in Year 3 and I thought it would be a good opportunity to revise some. I have

also uploaded a Talk4writing booklet which includes information on 'The Truth about Trolls' and activities based on the extracts. Again, please complete the work in the exercise books provided.

REMEMBER – upload any tasks or activities that you have done onto Class Dojo! I can not wait to see all of the brilliant work that you have been doing.

I know this is a challenging time so please just work through the tasks at a steady pace in a way that suits you and your family.

Continue to stay safe and well and please do not hesitate to contact me if you have any questions. I am here to help support you in any way that I can.

Keep smiling everyone!

Miss Galley
