

Life in class 7

Spring Term

Unfortunately for obvious reasons Spring term was ended prematurely, However, we have managed to pack in a lot in a short term.

This term we have been learning about the climates and animals in deserts and rainforests and the children produced some excellent multi- media presentations.

In **Art**, we enjoyed learning about the most famous artist of all- Leonardo da Vinci - and we even had a go at painting our own Mona Lisa. We also sketched and shaded horses in the style of Leonardo da Vinci and made some fantastic Mother's Day and Easter Cards.

In **DT** we had fun designing and making our own pop-up book to help us remember the order of the planets in the solar system.

We also produced our own prototype slippers-made of card-as preparation for designing and making slippers after Easter. Perhaps the children could have a go at making them at home.

In **PE** we enjoyed doing gymnastics and working in groups to devise our own balances and rolls.

A big thank you to all the children (and adults) who made an effort for **World Book Day.**

The children really enjoyed dressing up as book characters and reading and writing stories

The children's **writing** continues to improve and they produced some fantastic quest stories and newspaper reports.

A big thank you to all the children who attended **Maths** booster. The children were making excellent progress and are actually sorry that the SATs cannot go ahead.

We hope you have enjoyed reading about some of the things we have been doing this term and that working at home with your children isn't too stressful.

Keep safe and thank you for all your support and remind your children to keep working at home.
