# Team Numbers

I can order numbers.

A game for two players.

You will need:

- a dice
- two differently coloured pencils

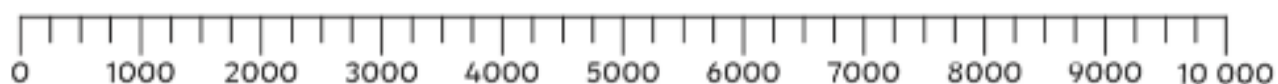

Take turns to roll the dice twice to create a four-digit number. Write the number you have created on a player's shirt below. Then, write the number in your chosen colour in the correct place on the number line.

Take turns to repeat the process.

The aim of the game is to get three numbers in order on the number line without your partner squeezing a number between them!

00	00	00	00	00
00	00	00	00	00
00	00	00	00	00
00	00	00	00	00

# Moji Maths

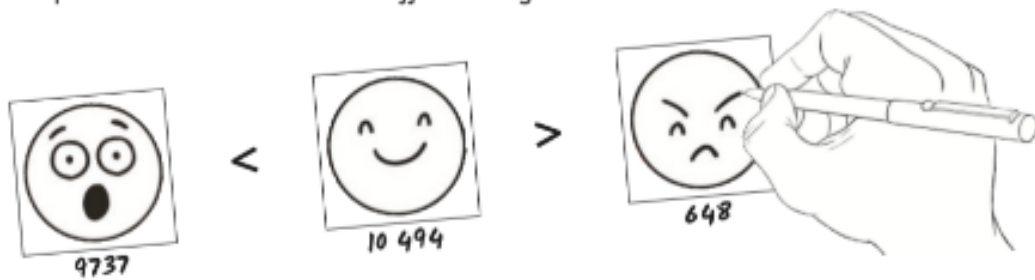

I can compare numbers.

Write the value of each moji in the key below.

Use the completed key to fill in the missing mojis from the comparison sentences. Each comparison sentence must be different. E.g.
