

## Year 1 Home Learning Tasks W.B: 29.06.2020

Hello Year 1,

I have enjoyed seeing your work on the Snail and the Whale! This week our story links to our History project! It is called 'The Old Toy Room' all about toys from the past! I will share this story and resources with you on Class Dojo! I hope you enjoy reading this story and learning all about the past!

As usual, keep an eye on Class Dojo for your extra daily challenges and any resources needed! Remember to keep sharing your work too!

Suggested Structure:

Monday – Read the story and get to know what happens! Today you can sequence what happens in the story and write the key events. I will send you sequencing images of the story on Class Dojo!

Tuesday – Re-read this week's story. Pick one of the toys to write about. Today I would like you to write a fact file about the toy! I have attached a template to this document to help you!

Wednesday – Planning day – I would like you to think about a new adventure that Lottie can get up to. Today you can make a plan, write your ideas, key parts, what she will do, where she will go, what she will see etc! Remember this can be in note form on a spider diagram!

Thursday – Write Lottie's next adventure!

Friday – Reading comprehension! Reread the story from this week and answer the questions about the story!

### Phonics/Reading

Keep accessing Lexia each day too. We recommend 10-15 minutes each day!

Please keep continuing to access the 'Letters and Sounds for home and school' on YouTube Daily at 10.30am.

Don't forget to continue accessing E-Books on Oxford Owl website:

<https://www.oxfordowl.co.uk/for-home/reading-owl/library-page>

This week you can also now access Discovery Education 'Espresso' site. There are some brilliant handwriting and phonics resources on here that you may find useful! Log in details for this site are on Class Dojo under 'Class Story'. You can also access Ed Shed – your log in details for this will be sent in a private message on Class Dojo.

### Maths

Please continue to access White Rose home learning for Maths. There are lessons and activities on here daily. These lessons follow on from what we were learning when we were last in school. I will prompt you to these and send you some challenges on Class Dojo throughout the week. T

If you find things tricky remember it is always good to practice with practical resources first!

Remember to keep accessing Numbots regularly each day too!

### History Project Continued

For this week, I would like you to compare 'Now and Then' of Toys in The Past. Look at the toys on the images and compare the ones from the past, to now! You can cut them out and sort them in to groups. Write a description of the differences e.g the types of toys, what they are made out of etc. OR Draw a picture of each item from the past, and describe how you think it would have been used.

You may find this episode of Magic Grandad useful! (Remember to practise safe internet use and do not access this without your grown up).

Or search 'Magic Grandad Toys in the Past' on YouTube

I will share resources for this task with you on Class Dojo during the week!

(You do not need to print these templates, they are to give you ideas. Children would normally write straight in to their books in school!)

Monday English (Don't worry if you can't print these – you can draw your own story sequencing map!)
